- We investigate and conciliate discrimination complaints.
- We engage with Aboriginal and Torres Strait Islander organisations.
- We provide community information sessions about anti-discrimination laws and our services.

Help in dealing with discrimination

Anti-Discrimination NSW's Aboriginal and Torres Strait Islander team can help you address your problem. You may be able to deal with it locally, write a letter, organise information sessions or lodge a complaint. Our team can give you information so that you can decide what you want to do.

This factsheet has general information about our Aboriginal and Torres Strait Islander Service Outreach Program. Please contact us if you have questions about the outreach program or you would like information about how to make a complaint.
